A trendy city: Interesting facts about Moscow

Posted: 14 Nov 2011 09:47 AM PST

Moscow, the capital city of Russia, is often associated with images of the Red Square, the Kremlin and St. Basil's. But lately Moscow's image has freshened and is now more reflective of today's Russia and its forward-looking, modern culture. Moscow is a city with a budding reputation; it is quickly becoming regarded as a global business and financial center, as well as a cultural and tourist destination, drawing attention from investors, artists, athletes and travelers alike.

Supporting UK companies doing business in Russia

Posted: 15 Nov 2011 09:38 AM PST

The landmark visit of Prime Minister David Cameron to Moscow in September had a strong commercial focus. The prime minister was accompanied by the foreign secretary, Trade and Investment Minister Lord Green and a delegation of 24 business leaders representing a range of sectors from retail to engineering, financial services and energy companies.

Prospects in the Russian pharmaceutical industry for the Recordati Group

Posted: 17 Nov 2011 03:24 PM PST

Giovanni Recordati is chairman and CEO of the Recordati Group, a European pharmaceutical group employing more than 2,800 workers in the research, development, manufacturing and marketing of pharmaceuticals. Headquartered in Milan, Italy, it operates throughout Western Europe and has a growing presence in the new markets of Central and Eastern Europe. Recordati sat down with Modern Russia to discuss the company's interest in the Russian pharmaceutical industry.

Mario Monti at SPIEF 2011: Closer Russia-EU economic integration

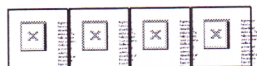

Posted: 17 Nov 2011 11:04 AM PST

The post was originally published by Modern Russia on June 23, 2011, following the St. Petersburg International Economic Forum.

Russia needs to improve the predictability of its public policies if it is to modernize its economy, Mario Monti told Modern Russia on the sidelines of last week's St. Petersburg International Economic Forum (SPIEF).
